Parent and community engagement

Parents are involved in celebrating success at weekly assemblies for Student of the Week, Student Led Conferencing, reporting evenings, transition evenings, subject selection evenings, open house invitations, positive post cards, Q School App, newsletters, SMS messaging, telephone or face to face communications. A careers expo is presented for the community at the Dalrymple Trade Training Centre with a focus on local industry and employment as well as further tertiary studies. Parents are notified through the assessment calendar as to when assessment items are set and due. Parents are invited to all ceremonies eg; Leadership Induction, Awards Night, Graduation and ANZAC Day plus the enjoyment of the music ensemble practice performances. All school information including enrolment packages is available on the school website.

We foster a team approach to the education and well-being of each student through parent and stakeholder discussions. Consideration is given to each individual's circumstances in making any adjustments necessary for attendance and academic success.

Through the school and Trade Training Centre we make community connections with local businesses who provide opportunities for work experience/placement, traineeships/apprenticeships and trainer/assessors for the various RTOs delivering certificate courses.

Respectful relationships programs

The school has developed and implemented a program that focus on appropriate, respectful and healthy relationships. This program "**Life Choices**" includes a focus on personal safety and awareness, including identifying and responding to abuse and violence and developing students' knowledge and skills to be able to resolve conflict without violence and to recognise, react and report when they, or others, are unsafe. The inherent messages are delivered by organisations such as the Morcombe and Mathew Stanley Foundations as well as Bullying No Way and Domestic Violence supplemented by DET resourced programs.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015**	2016	2017
Short Suspensions – 1 to 5 days	283	240	241
Long Suspensions – 6 to 20 days	14	4	9
Exclusions	1	3	7
Cancellations of Enrolment	6	8	4

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school's environmental footprint

While every effort has been made to reduce the school's environmental footprint external factors such as consumption at the trade training centre and drought impact on the Ag Farm have been contributing factors

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	331,825	0
2015-2016	359,891	
2016-2017	405,476	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools and Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

At Charters Towers State High School, attendance rolls are marked in Roll class at the beginning of the day and at the beginning of each lesson (5 times per day) and parents of students not accounted for on the roll are contacted by the

attendance officer using direct phone contact or Oneschool SMS message. Parents are called if a student has 3 consecutive days absence and year co-ordinators send home Oneschool absence records for parents to verify absences regularly.

Students who fail to comply with compulsory schooling are managed through parent/student counselling with HODs and Deputy Principal while Compulsory Participation students who fail to comply after student/parent negotiation may have their enrolment cancelled for up to one school year.

The CEC and YSC make home visits to support parents in getting students to school while the Guidance Officer, HODs, DP and Principal work with students on career pathways relevant to their SET-P.

The school uses an Attendance Incentive Strategy based on 95% attendance. This strategy involves end of term reward activities for all students in each year level who achieved 95% attendance and those who fall under the 95% are precluded from any extra curricula activity. A major end of year reward (trip to Townsville) for those who attain 95% attendance for the year is promoted.

Early leavers information

The destinations of young people who left the school in Years 10, 11 and prior to completing Year 12 are described below.

Due to the transient nature of employment within the community many students are early leavers to attend schools in other areas associated with their family's work. Some students leave early to take up employment opportunities eg full time apprenticeships. Career counselling is provided for those students who become disengaged as a means of ensuring a sense of purpose in education and instilling an end point goal in a bid to retain student to year 12 completion.

Conclusion

Charters Towers State High School continues to have student outcomes at the forefront of our improvement agenda.
